Dear Sean:

I would like to take a moment to extend to you my most sincere congratulations on your new invention, TinyLaserTag! Certainly this ingenious idea will be a huge success. I saw this article in the paper and thought you would enjoy it.

I commend you for working with your family to create your idea into a real invention. Your achievement is most admirable and I hope you continue to use your creativity and determination to strive for success. I wish you much luck as the TinyLaserTag hits the stores this holiday shopping season.

Once again, congratulations, and if you ever have any questions or concerns please do not hesitate to contact me.

Sincerely,
